Charles Bryanから下記のような手紙が届きましたので、「新老人の会」全国連絡会のホームページに掲載させていただければ幸いです。

Dear All,

I'm pleased to report that the encyclopedia is now in production,.
It should easily be available in time for the 2020 AOS meeting, which begins on April 26 in Pasadena.
You'll be receiving information within the next month or two about how to purchase a copy. The list cost, \$125.00, is extremely reasonable as it's going to be an 11 X 8.5 inch case-book with 992 pages in all, more than 600 illustrations, and a two-sided color frontispiece.

In the meantime, please verify that I have your preferred e-mail address and also your preferred mailing address listed in the attached Excel sheet.

Thank you again for your excellent contribution!

All the best,
Charley
